Datasheet

HP 10 Plus Tablet 2201ne

Everything you want. For less. Uncompromising performance in Full HD.

What could you do with a 25,6 cm (10.1") tablet that delivers hours of uninterrupted video watching, surfing and gaming with a quad-core processor and a brilliant Full HD display?[1] And, what could you do with the money you'd save if you could get a tablet like that for a fantastic price? Find out with the new HP 10 Pus.

Stunning display in Full HD.

A 25,6 cm (10.1") Full HD packs in more pixels per inch to bring you a stunning picture from virtually any angle. For entertainment you can share, the HP 10 Plus always has an eye out for your best interests.

Powered for performance.

Quad-core power and stunning graphics to propel your entertainment experience wherever you go. For streaming videos, web-surfing, and smooth-as-silk gaming, it was designed to deliver your world on demand.

Shoot 2 share.

Capture great photos with a 2 MP front-facing camera and a 5 MP rear-facing camera with HDR autofocus.

[1] Testing conducted by HP with MPEG4 video playback stored on the SD card with wired stereo headphone (which may or may not be included with your particular product) at middle volume as the audio output device. Prior to testing, the system was fully charged and set to display maximum brightness, background illumination enabled, screensaver disabled. Battery life will vary depending on the product model, configuration, loaded applications, features, use, wireless functionality and power management settings. The maximum capacity of the battery will naturally decrease with time and usage.

Compatible accessories and services*

* Not included.

Care Pack

2-year exchange
